Short Term Outreach Ministries

APPLICATION

We are glad you are interested in serving the Lord overseas! We want to come alongside you and this application is your starting point. It's designed to give us the information we need to determine how much funding we can provide for your short term missions project. Since the funding comes from LBC, you must be a member or regular attender to apply. If that does not describe you, then talk to the pastor of the church you currently attend so that they will know of your interest in serving overseas.

It is important that you follow the directions carefully and fill out the application entirely. Please note the grey box below. We need the supporting documents along with your application in order to determine the correct funding level. Your application will be delayed if you fail to include that information.

May the Lord bless you as you serve Him! If you have any questions, don't hesitate to call our Missions Director, Rille Pinault, at the church office, 833-2800.

Please do not submit this application without documents requested on page 6. Thank you!

A note about fundraising at LBC:

We want to encourage you to raise funds from among those you know personally. Even if people do not attend LBC, they may desire to help.

Regarding fundraising letters to people at church, it is important that the same principle applies. You should only approach those whom you know personally. Broad-based fundraising using the church directory is not appropriate. In order to be sensitive to the people of LBC, large-scale fundraising through church offerings is coordinated by the leadership and is done at selected times during the year.
