Staying Connected

Our India Team left this morning! Christians are persecuted in India and they do not welcome our team. Getting through customs is a challenge! This Tuesday will be a pastors' conference where Pastor Andy and John Harrell will be teaching many pastors in the secrecy of Berachah Children's Home. The ladies will be working with their wives. This is followed by three days of VBS, teen devotions and several village outreaches. The darkness of India can be troubling for first-timers and we have six. Let's pray!

This week in Uganda our team will do both a kids and ladies conference at the new Mercy Church, love on abandoned babies, decorate the new medical center, do two village medical outreaches, minister in the slums and work with special needs kids and their moms. Many of these people are involved in witchcraft and your prayers are so appreciated!

Pray for kids at camp - Pray for our elementary, junior high, and high school students as they all go to Hume Lake this week, that they would learn new truths and grow in their faith. Health screening and check-in at 11:30 this morning: Elementary in Act. Ctr., Jr. High in Room C111, HS in Room C109.

Habitat for Humanity is building a house here in Bakersfield, and they need people to help with all levels of construction. If you are available to volunteer any Saturday in July or August, please contact Pat at 861-8449 or 204-1122.
